AN NOWODHOW

AUTUMN 1, WEEK 6

Head of School Message

Happy Friday, Everyone!

I cannot believe we are on week six of the term already - time is flying by.

On Wednesday, we had the pleasure of being joined by Matt and Chloe from the Cornwall Wildlife Trust to celebrate World Octopus Day! It was brilliant to find out more about these amazing creatures, especially as the numbers in our local waters have increased significantly in recent months.

We were also visited on Thursday by Mr Rees, another Head of School in the Trust, who took some time to speak to both staff and children about what makes our school so special. I was incredibly proud to listen to our children speak so positively about the experiences they have here and share their thoughts and ideas about how we can make St Keverne even better. They were a real credit to the school and their families.

Have a lovely weekend.

House Points

We're excited to let you know that we are planning to introduce a house system in school!

This will give children the opportunity to earn house points for positive choices, effort, and teamwork, whilst also helping them to build relationships across year groups. As part of this, we'd love your help in choosing house names. Our classes are named after local coves and beaches, and we'd like the house names to also reflect our local community and heritage. If you have any suggestions, please do let us know at hello@stkeverne.org.uk - we'd love to hear them!
