

ST KEVERNE PRIMARY SCHOOL

AN NOWODHOW

SPRING 1, WEEK 1

Head of School Message

Well, what a week that was...if it isn't snow & ice, it's wind & rain causing disruption!

I hope this newsletter finds you safe and well, with heating, power and essential services reinstated, although I know the village has been significantly affected. A huge thank you to the school community for the support, understanding and flexibility this week whilst we have navigated later opening times, earlier finishing times and full closures. We never take these decisions lightly but the overriding factor is always the health, safety and wellbeing of our children, families and staff.

Despite the elements, it has been lovely to welcome the children back to school after the festive break. We're getting straight back into it with Carleon Class learning about different types of materials in Science, looking at texture in Art and exploring the United Kingdom in Geography. Meanwhile, Godrevy and Leggan Classes have already started on their Climate Change Geography unit and an Art project based on the rainforest. We can't wait to share more of their learning with you.

Next week sees this term's parent/carer coffee morning. These are very informal drop in sessions, where you can enjoy a hot drink, a sweet treat and a chat. We hope many of you can make it.

We do not currently anticipate any issues on Monday - fingers crossed for a 'normal' day! However, this is dependent on when the area regains essential services. As always, keep an eye on emails, social media and texts, if you can, for further updates.

Have a lovely weekend - stay safe.

Mrs Hancock

Learning of the Week

Some of our youngest children have been exploring the number FIVE this week. Through hands-on activities and playful learning, they have been counting objects, spotting patterns, and sharing their discoveries.

Diary Dates

- **Week Beginning Monday 12th January** - Wraparound Provision and all after-school clubs begin
- **Monday 12th January** - Parent/Carer Coffee Morning from 8:45am
- **Friday 16th January** - Year 1 Hearing Screening
- **Tuesday 20th January** - Reception & Year 6 Heights and Weights
- **Monday 26th January** - Parent/Carer Maths Workshop in the school hall, 9am
- **Monday 9th to Friday 13th February** - Children's Mental Health Week

SPRING 1, WEEK 1

Shining Stars

A huge congratulations to these superstars for showing our school values this week!

As we couldn't have our normal Celebration Assembly this week, we think it's important to celebrate our brilliant **Estates** and **Health & Safety** Teams. Over the past five days, they have worked tirelessly to solve heating issues, check routes for snow & ice, assessed storm damage and no doubt will be working well into the weekend to ensure things are safe and secure ready for next week at not just our school, but the 36 other schools across Cornwall - so here's to them!

Attendance Matters

Overall:

Whole School Attendance

94.69%

This Week:

Carleon Class

Reception - 96.43%

Year 1 - **100%** 🏆

Year 2 - 95.83%
