## SPRING 1, WEEK 2

### Head of School Message

Whilst we are now at the end of week 2 of this term, it feels like the right time to say: what a start to the calendar year that was!

As I'm sure you all were, we were very glad to get back to some kind of normality on Wednesday and the remainder of the week. Myself and the team have been so appreciative of the patience, support and understanding the school community have continued to show, during what was also an incredibly challenging time for you all too. Thank you again.

On Wednesday, I spent some time with other leaders in the Trust, looking at professional development materials for our staff team which we will be using over the coming weeks. This will support the developing Teaching & Learning strategies we are working on as a school team and, in turn, help all of our children to access their learning and achieve well.

This week saw the start of our after-school clubs and NEW Wraparound offer. I was delighted to see Skateboarding was a huge hit; I know there are lots of children on the waiting list. We are continually trying to offer something new or different to broaden the range of activities available for our children. If there is interest, we will look into booking a Skateboarding Club next half term too, so those who haven't been able to get a space this time round will get a chance to attend.

As per my email earlier in the week, we unfortunately had to cancel our termly parent/carer coffee morning this week due to the school closures. This has been rearranged to Wednesday 21<sup>st</sup> January, from 8:45am. This is a very informal session - pop in, have a warm drink & a biscuit and stay for a chat if you'd like. We hope to see many of you there.

Have a lovely weekend.
