

ST KEVERNE PRIMARY SCHOOL

AN NOWODHOW

SPRING 2, WEEK 3

Head of School Message

This week, we have been focusing on our school rule of 'Be Safe'.

On Tuesday, we were joined by Lifeguards from the RNLI, who told us all about their roles and importantly reminded us about safety at the beach. The children enjoyed trying on the equipment and showed an excellent understanding of how we can keep ourselves and others safe when enjoying the Cornish seaside. Let's hope the weather starts to improve soon so beach days become a reality, rather than a distant memory! A huge thank you to the RNLI and their team members for giving up their time to visit us.

Mr Mitchell's assembly this week focused on what 'being safe' really looks like in school. The children heard all the ways in which we, as a school, keep them safe and were reminded about some key messages around online safety and personal safety. We know that ensuring our children are safe and feel safe in school means learning can happen, friendships can flourish and children can achieve their very best.

We're looking forward to welcoming you at next week's Parents/Carers Evening. If you haven't already, please do book a slot via the Arbor app. This is an important opportunity for you to discuss your child's progress and achievement with their class teacher/s.

Finally, a huge well done to the Year 5/6 team who attended the FIRST LEGO League tournament at RNAS Culdrose this week. They have been working tirelessly with the support of Mr Mitchell to prepare for the event and showed what an incredible group of young people they are. They impressed everyone with their teamwork and attitude throughout and had a fantastic time exploring the different exhibits between robot game matches. Thank you to Mr Mitchell for organising and taking this year's team, and to Laura for accompanying.

Have a lovely weekend.

Mrs Hancock

Learning of the Week

A big well done to our amazing Year 5/6 Team who entered this year's FIRST LEGO League Tournament on Wednesday - it involved weeks of teamwork, effort and problem solving by the children and Mr Mitchell and they had a fantastic day!
