AN NOWODHOW

SPRING 2, WEEK 4

Head of School Message

Happy Friday, everyone. The sun's appearance has certainly been a welcome change over the past couple of days. It's amazing the difference it can make; we hope it sticks around for a little longer, at least.

It has been another busy week for us here at St Keverne Primary School.

On Wednesday, Mrs Ashe took our Year 3 and Year 4 Tech Girls club members to the Cyber Guardians Challenge Day to celebrate and utilise all of the skills they have been developing in their club sessions. The girls enjoyed a day of problem solving, creative activities and teamwork. We are incredibly proud of all they have achieved. A big thank you to Mrs Ashe for running the club this term and for organising the trip, and to Miss Ruberry for accompanying them.

On Thursday, Godrevy Class joined Year 3 and Year 4 children from Manaccan Primary School & Nursery at the Royal Cornwall Showground for the annual Farm & Country Day. The children were incredibly engaged in all of the hands-on activities and experiences, learning more about how food travels from field to plate. They were a credit to the school throughout. We're very grateful to Mrs Hodges, Miss Ruberry, Millie and Hazel for accompanying the children.

And the fun doesn't stop there. Today, Carleon Class are off to the fire station to learn more about the amazing people in our communities who help us.

This week's assembly focused on Global Recycling Day on 18th March. The children heard about the origins of the day and delved deeper into the small actions we can take as individuals and a school to help reduce waste. We can't wait to put some of them into practice and do our bit for the environment.

Have a lovely weekend.

Mrs Hancock

Learning of the Week

We've been delighted to welcome Coach Frank Skateboarding back to St Keverne this half term for one of our extra-curricular clubs. It is always very popular, and it was wonderful to see them making the most of the sunshine this week!
