

ST KEVERNE PRIMARY SCHOOL AN NOWODHOW

SUMMER 2, WEEK 7&8

Head of School Message

What a jam-packed week and a bit we've had to end the term!

Last Monday, all of the children spent the afternoon in their new class groups for September. They took part in arts & crafts, escape rooms and challenges whilst Year 6 spent an extra afternoon with DT Coaching. For some children, they will move year groups but remain in the same class and with the same teacher, for others, the step up brings more change. We look forward to continuing to support the children with this transition in September.

We've also celebrated our youngest children, marking our EYFS graduation, and our eldest children, sharing our Leavers' Assembly. We are so incredibly proud of all of our children for their efforts and achievements this year, but these milestones are particularly important to mark.

Our Year 6 Leavers have continued the fun this week, getting their shirts signed and having a water fight. Whilst we're sad to see them go, we wish them all the luck in the world as they move onto secondary school.

We can't end the term without mentioning the 'Fantastic' summer play. What an amazing performance and community event. The children did such a fabulous job and put on a great show. Thank you again to Mrs Hodges, Mrs Cleminson and Miss Dilworth for their efforts in putting the play together, to FOSKS for providing refreshments and to everyone who joined us in the audience.

Finally, I'd like to take this opportunity to thank our INCREDIBLE staff team for their hard work and dedication to providing the very best education and experiences for our children. Thank you also to you, our parents/carers, for your continued support and for making me feel so welcome this year. I cannot wait to continue working with you and serving our community next academic year and beyond.

Wishing you all a restful and hopefully sunshine-filled summer!

Have a lovely weekend.

Mrs Hancock

Learning of the Week

Goodbye Year 6 - what a fantastic group of young people! Go out and show the world how brilliant you are!

#TeamStKeverne

Diary Dates

- **Thursday 3rd September** - INSET Day, school closed to children

 **CORNWALL COUNCIL**
one and all - o'neg hag all

 **Together for Families**

Babies, infants and children learn and grow through simple, everyday moments with the people around them.

That's why we are supporting '**Phones away...talk and play!**' - a campaign encouraging parents and carers of children aged 0-5 to make time to connect without distractions from phones.

The early years are a crucial time for development. Talking, playing and spending time together helps infants build language, confidence and strong relationships. These moments don't need to be complicated - they can happen during everyday routines such as reading a story, chatting at mealtimes, playing with toys or going for a walk. We know that family life can be busy, and this campaign is about encouragement, not judgement. Small changes can make a big difference.

We're sharing this message with families in our setting to help support children's development and wellbeing.
