

ST KEVERNE PRIMARY SCHOOL

AN NOWODHOW

AUTUMN 1, WEEK 1

Head of School Message

A very warm welcome to our new families and a warm welcome back to all of our existing families.

We hope you enjoyed your summer break, spending quality time together and enjoying the Cornish sunshine (hooray).

This September feels slightly different to last, I'm sure. Less anticipation about what the year ahead **might** look like and instead, embedding and building on the positive changes the team made last academic year as we look forward as a community.

I've seen many families on the gate this week; it has been so lovely to see everyone again and get back into some routine.

Children across the school have been taking part in a range of activities, thinking about our school values and rules, working together and setting goals. In this week's assembly, we talked about the start of the school year being an excellent opportunity to 'reach for the stars' and challenge ourselves to try something new. We can't wait to see how our children continue to flourish over the next 12 months, whether they are in new year groups or new classes too!

Next week sees the start of swimming sessions for Year 5 & 6, as well as a parent/carer meeting for our Year 5 & 6 London residential and our all important 'Meet the Teacher' meetings on Thursday. We hope many of you will be able to join us for these. However, Mrs Ashe, Mrs Hodges and Mr Mitchell will share key information with all parents/carers via email following the meetings in case you are unable to attend.

Have a lovely weekend.

Mrs Hancock

Learning of the Week

It has been fantastic to welcome our new Reception children this week. They have loved getting started on their 'All About Me' learning, their phonics and talking about the Colour Monster going to school in Drawing Club!

#TeamStKeverne

 **Phones away...**

talk and play!

www.cornwall.gov.uk/phonesaway

Babies, infants and children learn and grow through simple, everyday moments with the people around them.

That's why we are supporting '**Phones away...talk and play!**' - a campaign encouraging parents and carers of children aged 0-5 to make time to connect without distractions from phones.

The early years are a crucial time for development. Talking, playing and spending time together helps infants build language, confidence and strong relationships. These moments don't need to be complicated - they can happen during everyday routines such as reading a story, chatting at mealtimes, playing with toys or going for a walk. We know that family life can be busy, and this campaign is about encouragement, not judgement. Small changes can make a big difference.

We're sharing this message with families in our setting to help support children's development and wellbeing.
