

ST KEVERNE PRIMARY SCHOOL AN NOWODHOW

AUTUMN 1, WEEK 2

Head of School Message

It has been a busy second full week of term, with a real buzz of learning around the school!

I have loved visiting classrooms this week, seeing how settled and focused all of the children are. Our youngest children are already demonstrating our school values during learning time, those who have moved up into the next class are tackling this transition with maturity & resilience and those who have moved year groups within classes are showing themselves to be true role models to their younger peers.

In this week's assemblies, we have been reviewing our school rules of Ready, Respectful & Safe and exploring what these look like in practice. We've also been talking to the children about how we can include everyone in our games and play safely outside during break and lunchtimes.

Now that we have a couple of weeks under our belts, and children are back into their routines, a polite reminder that children should not be bringing their much loved toys into school, unless a transitional object has been discussed and agreed by myself or Mrs French. We would hate for any treasured items to get lost or damaged in school and therefore ask that these are kept at home please.

You will soon be receiving a request from the school office to ensure your child's medical information is up-to-date on Arbor. We would be incredibly grateful if you could do so, making sure we have accurate information for your child so we can best support them in school. Thank you for your help with this.

Finally, the Playing Field Association would be incredibly grateful for anyone able to complete a short survey to help plan future improvements of the playing field. Follow this link to have your say:

Learning of the Week

Key Stage 2 have been getting stuck into their learning on Fair Trade. This week, they have been researching items that are traded with the UK and the reasons why we need to trade for these products.
